## Professional Summary

QA Engineer with 5+ years of experience in manual and API testing. Skilled in Cypress, Postman, and Swagger. Adept at improving testing processes and ensuring seamless software releases. Pursuing ISTQB certification. B.Sc. in Computer Science, fluent in Spanish, with advanced English and intermediate French proficiency.

## Skills

Attention to Detail | Problem-Solving | Analytical Skills | Manual, API & Automation Testing | Cypress | Postman | Jira | Qase.io | JavaScript | C# | SQL | PostgreSQL | CI/CD | GitHub

---

## Experience

### SwagUp | QA Engineer - Feb 2021 – Current

- Led end-to-end testing across SDLC, ensuring high-quality software releases through detailed manual testing.
- Boosted team efficiency by 30% by creating test suites in Google Sheets for better test case tracking.
- Validated front-end and API functionality using Postman and Swagger, identifying critical issues early.
- Spearheaded defect management in JIRA, working closely with developers for swift issue resolution.
- Initiated automation testing repository with Cypress, reducing manual testing time by 40%.

### SwagUp | Software Engineer - Jun 2022 - Jan 2023

- Developed microservices with .NET and PostgreSQL, ensuring scalable and modular system architecture.
- Improved software quality by participating in code reviews and identifying technical issues early.

### SwagUp | Service Desk Analyst - Sep 2021 - Feb 2022

- Analyzed user reports, diagnosing technical issues and aligning bug reports with real-world scenarios.
- Provided key insights for QA teams to create relevant test cases, improving software functionality.

### Liberty Power | Consultant Quality Assurance Engineer - April 2019 - January 2021

- Performed comprehensive manual testing (exploratory, functional, API) to ensure software met user criteria.
- Worked closely with developers to resolve critical defects, ensuring timely releases.

---

## Education

### Codemify

QA Bootcamp | Apr 2024 - Aug 2024

### University of Havana

Bachelor's Degree, Computer Science | Sep 2012 - Jul 2018
